

Route 5 Recommendations: The improvements to the Route include the revising of the northern portion of the current route, including service along Hawthorne Avenue, Prince Avenue, and West Dougherty Street. The portions of this route that are recommended for revision will continue to be served by the reconfigured Route 7. Under Utilized Service to Chalfont Drive is discontinued. There are no recommended changes to the hours or days of operation for Route 5. The frequency of this route will also remain unchanged.
